### TERMS AND CONDITIONS

1. A valid UA account number is required.
2. The relevant SCR "0903" must be entered in the online booking and in the commodity item column of the AWB for this rate to apply. Failure to enter the proper SCR will result in the AWB being charged the tariff rates.
3. Shipments equal to or greater than 100 lbs. using SCR "0903" will be charged applicable contract or tariff rates.
4. Rates only applicable for GCR shipments.
5. Rates not applicable to shipments of live animals, human remains, AEV, dangerous goods, interline shipments or other premium-rated commodities. Rates not applicable to allotments. Rates not applicable to EXP shipments.
6. Rate valid for "flight only" freight. Routings requiring trucking will result in pricing at tariff rates. Rules and regulations published in the most recent edition of the United Cargo Rules Tariff as published on <http://www.unitedcargo.com> will apply.
7. Charge is all-in. All applicable taxes, screening and special handling charges apply.
8. Charge is applicable to posted weight range only. Charge is in USD.
